Dear Governor Cooper:

I am writing to urge you to disallow state agencies from approving permits for the Atlantic Coast Pipeline. In my opinion, this would be the beginning of an environmental disaster.

Thank you for your consideration.

Best regards,

Lyndon Harris

“Forgiveness is nothing less than the way we heal the world. We heal the world by healing each and every one of our hearts.

The process is simple, but it is not easy.”

— Desmond Tutu, *The Book of Forgiving: The Fourfold Path for Healing Ourselves and Our World*
